

单位: mm 第三画法

Technical drawing of a vertical rod assembly. The drawing shows a long central rod (1) with a diameter of  $\varnothing 60$ . The total length of the rod is 1600. At the top, there is a bracket (5) with a length of 250. A curved bracket (3) is attached to the side of the rod, with a length of 45 and a radius of  $\varnothing 30$ . At the bottom, there is a bracket (3) with a length of 5000. A bracket (2) is attached to the side of the rod, with a length of  $\varnothing 62$ . A bracket (4) is attached to the bottom of the rod. The drawing is labeled with dimensions and callouts (1, 2, 3, 4, 5).
